Performance Review
Of a HUD-Approved Housing Counseling Agency or Participating Agency

Public reporting burden for this collection of information is estimated to average 2.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection information unless that collection displays a valid OMB control number.

The information is used to assist HUD in evaluating the managerial and financial capacity of organizations to sustain operations sufficient to implement HUD approved housing counseling programs. The collection of information assists HUD to reduce its own risk from fraudulent activities or supporting inefficient or ineffective housing counseling programs. Since, HUD publishes a web list of HUD approved Housing Counseling Agencies and maintains a toll free housing counseling hotline performance reviews help HUD ensure that individuals seeking assistance from these approved agencies can have confidence in the quality of services that they will receive. This information is collected in connection with HUD Housing Counseling Program and will be used by HUD to evaluate clients compliance with programmatic requirements. The information is considered sensitive and is protected by the Privacy Act of 1974 which required the records to be maintained with appropriate administrative, technical and physical safeguards to ensure their security and confidentiality.
