NATIONAL AGENCIES THAT CHARGE FOR SERVICES:

Lexington Law	https://www.lexingtonlaw.com	(844) 259-3376	Lexington Law actually has three different tiers of service, which cost \$89.95/month, \$109.95/month or \$129.95/month, depending on the service you choose. It's a little pricier, but that's because of the extra level of service it provides (known as the Cadillac of repair services). Lexington Law does offer a low-cost credit repair option (Lex OnTrack) for \$24.95 per month, which offers a minimum of credit repair features, but can be a good alternative for those who are looking to move the needle on their credit score without spending a lot of money each month. You do need to call Lexington Law to inquire about this option.
Sky Blue Credit Repair	https://skybluecredit.com	(888) 534-1510	Sky Blue has one of the lowest prices among repair services. The initial fee is \$69, and then it is only \$69 per month after that (you can pause the service if needed for financial reasons). Sky Blue is one of the best services, but it doesn't have all the fancy bells and whistles that other services have. They do give you straightforward repair services, including fixing mistakes on your credit report, sending good faith letters to your lenders and looking for legal loopholes to get your credit score back to where it should be.
CreditRepair.com	www.creditrepair.com	(855) 255-0263	CreditRepair.com offers a more affordable option of credit repair, at \$49.95 per month. This tier of service offers the basics of credit repair (credit bureau challenges, good interventions, etc.) without some of the standard practices that other credit repair companies offer. CreditRepair.com offers the basics of credit repair, including good faith letters, fixing mistakes on your report and using loopholes to contest items on your report. It also communicates directly with credit card issuers and the credit bureaus to make sure changes have been made. In addition, they will monitor your credit and offer a sleek user interface to help you track your progress.
The Credit People	https://www.thecreditpeople.com		Services start at \$39. They will run your credit reports and scores, then load them into your online account. They will then create improvement strategies designed for your specific needs.

Pyramid Credit Repair	https://pyramidcreditrepair.com	(866) 634-9255	Pyramid only offers one option for service at \$99 a month (you can also sign up for a couples plan for \$198 a month, which also includes 50% off the first month of service). The best feature of Pyramid is that it offers a dedicated personal account manager that walks you through everything and monitors the progress of your credit repair. Pyramid offers the repair fundamentals, including fixing mistakes on your credit report, sending good faith letters to your lenders and looking for legal loopholes to get your credit score back to where it should be. It will also negotiate with your lenders to remove negative items from your credit report. Pyramid also has in-house licensed attorneys, which is unusual for a credit repair company.
Ovation	https://ovationcredit.com/	(866) 639-3426	Service fees start at \$89 to set up and \$89 per month. In addition to dispute resolution, this plan includes sending out creditor goodwill letters asking for negative items to be removed.
