Clean Drinking Water Well Replacement Grant Program

Financial assistance available for individual households and small water systems dealing with drinking water emergencies!

Program Requirements:

- Eligible applicants are owners of individual households and small water systems (serving at least two, but fewer than 15 service connections and is not a Public Water System).
- New home and small water system construction is not eligible.
- Household income may not exceed $62,938. For small water systems, income is based on the average household income of the stakeholders/owners.
- Up to $60,000 available for individual wells and up to $100,000 for small water systems.

Grant Terms:

Repayment required in full if property is sold, transferred or leased within first five years from project completion.

For information/application, please visit www.rcac.org or contact:
