

RCAC Individual Well Program

Free Drinking Water Well Assessment

Rural Community Assistance Corporation (RCAC), a non-profit organization is offering private well owners free well assessments and water quality screening for nitrate.

Well assessment includes:

- On-site inspection of your well system to identify potential well vulnerabilities
- Identify potential well contamination sources near the well site
- Well construction inspection relative to state standards to note any potential concerns
- Water quality screening for nitrate, commonly associated with wastewater contamination
- Completed well assessment report with recommendations of possible needed repairs and water treatment options

Available in Idaho (assessments based on location and availability of staff)

To register for the well assessment, you can either:

- Register online at <http://www.rcac.org/environmental/individual-well-program/>
- Contact RCAC's main office at (916) 447-2854 and request Stephanie Villegas
