

Join the Water Leadership Institute today!

Apply for this free bilingual training!

Food and mileage reimbursement provided.

Are you interested in helping your community ensure it has reliable, clean water? Your voice matters.

Communities are developing plans to manage water more sustainably. Join the Institute and learn how to be an active player.

Who should apply?

- Residents of rural and/or small communities in the Delta Mendota subbasin (which includes Sacramento, San Joaquin, Stanislaus, Merced, Madera and Fresno counties)
- Anyone interested in building their leadership skills
- Domestic well owners
- Current or prospective water board members
- and YOU!

When & Where:

There will 4 in-person workshops in Los Banos CA.

Meals will be provided, as well as gas stipends.

Families welcome. Application is required to attend.
