Participants will complete required reporting and have access to the above resources based on their program alignment with the HIRWE initiative’s goals and number of households of color and Indigenous households assisted in reaching their homeownership goals. Reporting requirements are estimated at 15-30 minutes per household under this initiative, along with quarterly reports of less than 30 minutes to cover other activities. Reporting requirements will be reviewed in information webinars and included in individualized agreements.

RCAC will review your application and create an individualized agreement based on your request, number of households assisted under the initiative and resources available within 30 days of receiving your application.
